|  |                        | <p>XZS series pumps are Stainless steel end suction singlestage centrifugal pump.</p> <p>Stamping(stretching, expansion, cold extrusion) &amp; welding and other advanced production process are adopted.</p> <p>Components have high interchangeability. Suitable for small flow, high lift. Has the advantages of beautiful appearance, compact structure, high efficiency, energy saving, durability, light corrosion resistance, low noise, etc..</p> |  |
